Business Card

Horizontal Folded Card - 85 x 55 mm

Instructions

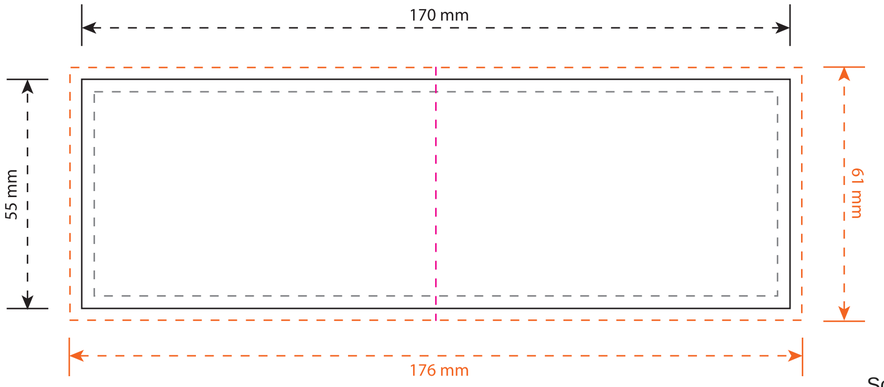

1. Keep the document size unchanged and create your artwork on the "Artwork" layer. Use CMYK process colors (for Digital/Offset CMYK) or one to four PANTONE+ Solid Coated spot colors at 100% tint (for Offset PMS).
2. Save the file as a PDF without crop marks or additional bleed. Preferably use the PDF/X-4:2008 preset.
3. Check your PDF carefully before submission.

Not using Adobe Illustrator? Remove all elements that must not be printed. Also remove the "Template" and "Information" layers.

Submit your artwork at 176 x 61 mm.

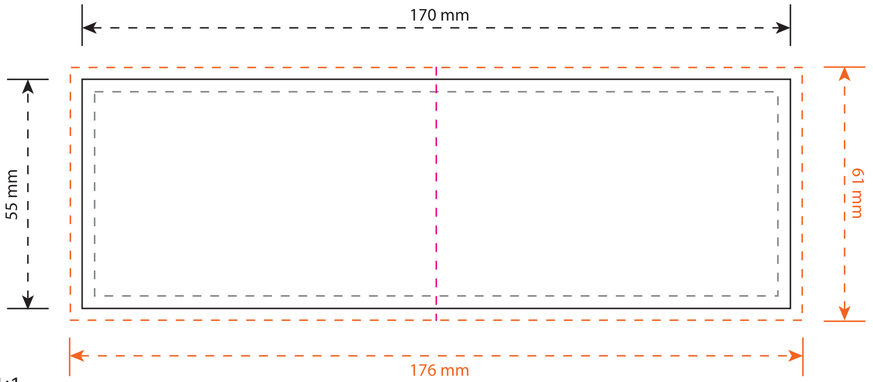

Legend

- Bleed size / required artwork size
- Final trimmed size
- Recommended safety margin
- Printable area
